Designing Tomorrow's Spaces

Who We Are

ARCHOVA Engineering Consultancy is a multidisciplinary firm based in Abu Dhabi, UAE, delivering integrated architectural, engineering, and interior design solutions.

We specialize in transforming ideas into well-engineered, inspiring, and sustainable environments. Our approach combines creative vision with technical precision to deliver projects that are functional, compliant, and future-ready.

From concept to completion, ARCHOVA partners closely with clients to ensure every project reflects clarity of vision, efficiency of execution, and excellence in design.

Our Story

ARCHOVA was established with a clear purpose: to bridge the gap between architectural creativity and engineering discipline.

In a rapidly evolving built environment, we recognized the need for a consultancy that understands both the artistic and technical dimensions of design. Our firm was founded to provide coordinated, practical, and innovative solutions that respond to client aspirations while meeting regulatory and construction realities.

Today, ARCHOVA continues to grow as a trusted partner for residential, commercial, hospitality, and institutional developments across the UAE.

Our Vision

To be a leading architectural and engineering consultancy firm in the region, recognized for our innovation, design excellence, and commitment to client satisfaction.

Our Mission

To deliver outstanding design and engineering solutions by combining functionality, aesthetics, and sustainability, tailored to meet each client's unique vision.

Our Values

Innovation

We embrace creative thinking and modern technologies to deliver forward-looking solutions.

Quality & Precision

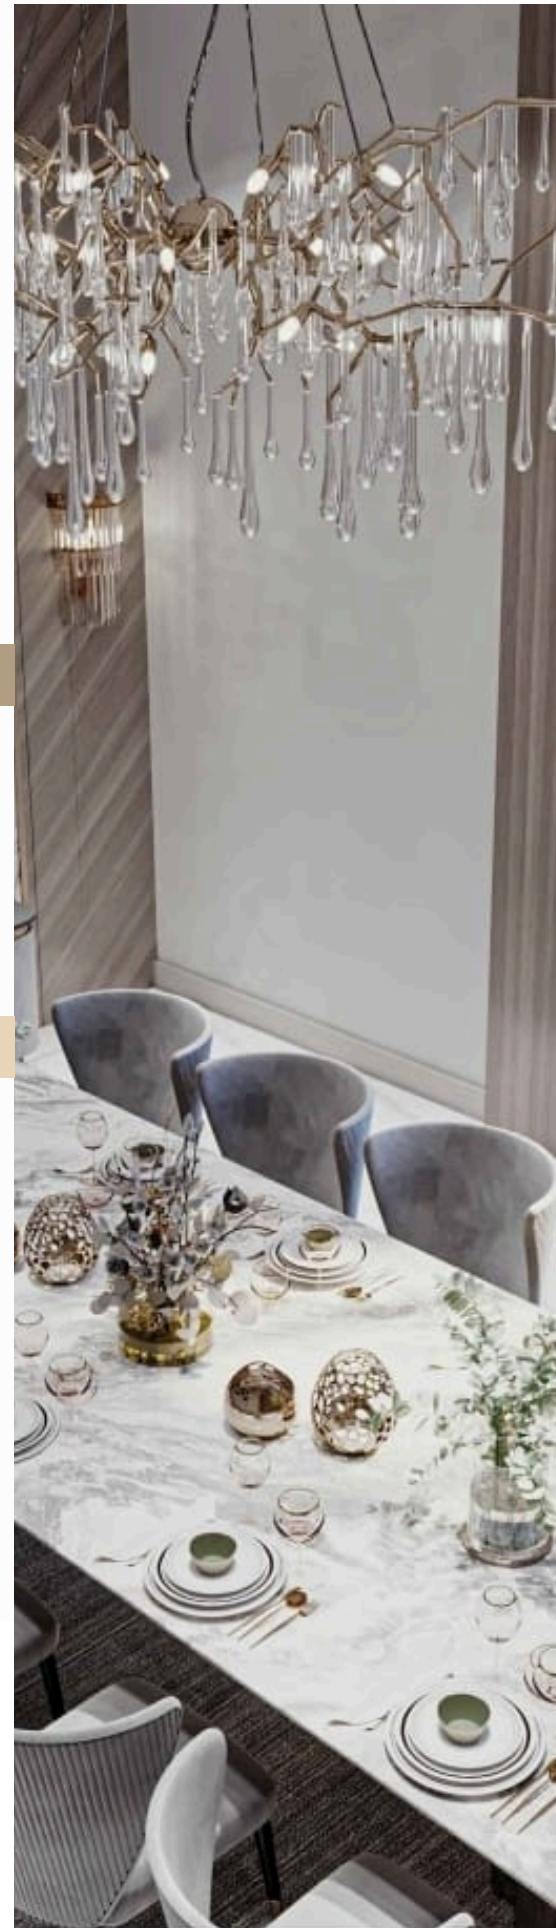

We uphold the highest standards in design, documentation, and execution.

Integrity

We operate with transparency, accountability, and professional responsibility.

Collaboration

We believe successful projects are built through strong partnerships with clients and stakeholders.

04 Project Management &
Supervision

05 Fit-Out & Execution

Architectural Design

We create architectural solutions that balance creativity, practicality, and contextual sensitivity. Our designs respond to client requirements while enhancing the built environment.

Our Architectural services include:

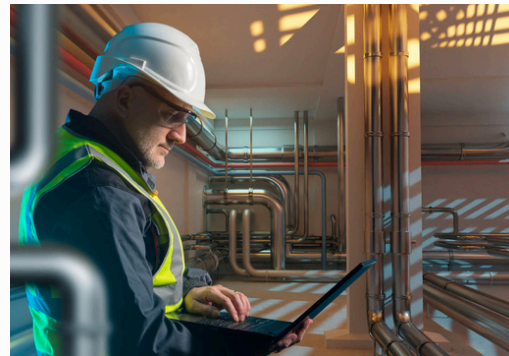

- Concept Design & Feasibility Studies
- Schematic Design Development
- Detailed Design & Construction Drawings
- Authority Submission & Approvals
- Building Information Modeling (BIM)

We work across residential, commercial, hospitality, and institutional projects.

Engineering Services

Our engineering team provides integrated and efficient systems that support architectural intent while ensuring safety, performance, and compliance with UAE standards.

Engineering disciplines include:

- Structural Engineering
- Mechanical, Electrical & Plumbing (MEP) Design
- Civil & Infrastructure Engineering
- Value Engineering & Optimization

We ensure coordination across all disciplines to minimize conflicts and improve constructability.

Interior Design

ARCHOVA delivers interior environments that reflect functionality, identity, and refined aesthetics.

Our interior design services include:

- Residential, Commercial & Hospitality Interiors
- Space Planning & Layout Optimization
- Material & Finish Selection
- Custom Furniture Design
- Lighting & Acoustics Design

Each interior is thoughtfully designed to enhance user experience and operational efficiency.

Project Management & Supervision

We provide professional oversight to ensure projects are executed in accordance with approved designs, specifications, and timelines.

Our services include:

- Design Supervision
- Site Coordination & Technical Support
- Regulatory Authority Coordination
- Quality Control & Assurance
- Progress Monitoring & Reporting

Our proactive supervision ensures quality delivery and risk mitigation throughout construction.

Fit-Out & Execution

ARCHOVA delivers high-quality residential fit-out solutions, transforming design concepts into fully realized living environments. We ensure that every detail is executed with precision, aligning with the original design intent while meeting the highest standards of craftsmanship and quality.

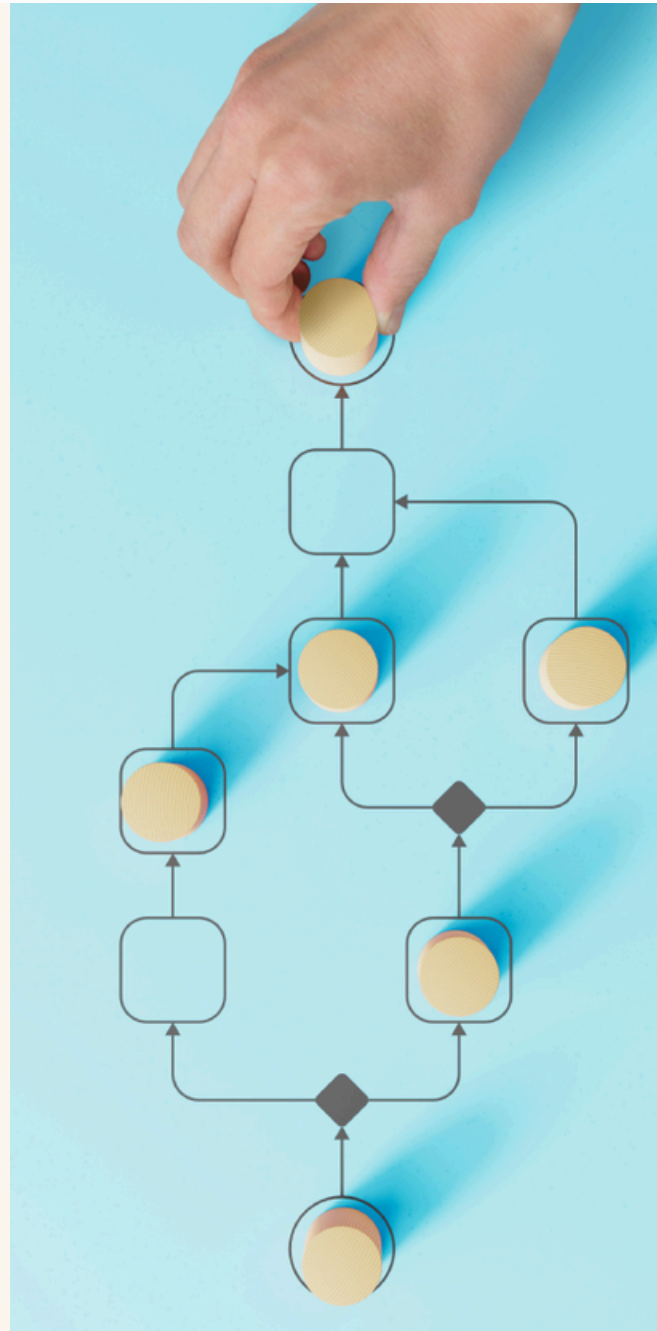

Our fit-out services include:

- Turnkey Residential Fit-Out (Villas & Apartments)
- Site Execution & Coordination
- Material Selection, Procurement & Installation
- Custom Joinery & Built-In Solutions
- Finishes, Fixtures & Equipment (FF&E)
- Lighting & Ceiling Execution
- Quality Control & Snagging

Our Process

1. Client Consultation & Brief Development
2. Concept Design & Feasibility
3. Design Development & Engineering Integration
4. Authority Approvals & Documentation
5. Construction Supervision
6. Project Completion & Handover

This structured approach ensures clarity, efficiency, and consistency at every stage.

Why Choose ARCHOVA

- Multidisciplinary team of qualified professionals
- Deep understanding of UAE codes and regulations
- Integrated design and engineering approach
- Commitment to sustainability and smart solutions
- Reliable timelines and quality-focused delivery
- Proven capability to comply with and submit projects to major UAE developers and authorities, including Aldar Properties, KEZAD Group and AD Ports

We are driven by precision, creativity, and long-term value.

Let's Work Together

Let's transform your vision into reality!

At ARCHOVA Engineering Consultancy, we believe that successful projects are built on strong collaboration and shared vision.

We work closely with our clients to understand their goals and deliver solutions that are innovative, efficient, and enduring. Whether you are developing a new concept or refining an existing project, ARCHOVA is your trusted partner from vision to reality.
